

Serial No. 09/931,167

Docket No. P-0254

Amdt. Dated August 18, 2004

Reply to Office Action of May 19, 2004

**Amendments to the Specification:**

Please replace the paragraph beginning at page 8, line 19, with the following amended paragraph:

As aforementioned, the ~~pre-digit~~ pre-digit is created with only a prefix or a prefix plus a part of the subscriber's number, information on which is stored in the pre-digit information database 150 of the SSP.
